

IMPORTANT NOTE:

- Samsung CSI China Dragon Internet ETF (the "ETF") is a sub-fund of the Samsung ETFs Trust II ("Trust"), which is an umbrella unit trust established under Hong Kong law. The ETF aims to provide investment results that, before fees and expenses, closely correspond to the performance of the CSI Global China Internet Index ("Index").
- Investment involves risk, including the loss of principal. Investors should refer to the prospectus of Samsung CSI China Dragon Internet ETF (the "ETF") for details, including the risk factors. Investors should not base investment decisions on this material alone. Historical performance does not indicate future performance.
- The ETF could be subject to certain key risks such as risks of concentration in internet and technology sectors, tracking error risk, trading risk, stock connect risks and multi-counter risk, etc. Please note that the above listed investment risks are not exhaustive. Investors should refer to the prospectus of Samsung CSI China Dragon Internet ETF for details, including the product features and risk factors. Investors should not base on this material alone to make investment decisions.
- The Manager may at its discretion pay distributions out of capital, or effectively out of capital, of the ETF, amounting to a return or withdrawal of part of an investor's original investment or from any capital gains attributable to that original investment, resulting in an immediate reduction of the NAV per unit.

CHINA INTERNET SECTOR HIGHLIGHTS & GROWTH TREND

Investment Strategy

The ETF seeks the performance return of approximately 30 largest global listed China internet companies amongst US, HK and China that has been listed for more than 3 months unless the size of IPO is more than USD10 billion*.

Key Features

- Capture the fast growth of approximately 30 Chinese Internet companies led by Tencent, Alibaba and Meituan Dianping
- China is a major player in digital technologies locally and globally. It has potential growth backed by large and young Chinese demographic.
- The continuance of support from Chinese government's for the listing of new economy corporations
